### Purpose of Reconsideration of Value

I am submitting this ROV because of the following issues with the appraisal:  
(Select all that apply)

- ☐ Correct and/or explain errors or omissions in the appraisal report
- ☐ Inappropriate or incorrect comparable sales were used Appraisal
- ☐ was influenced by bias or discrimination

### General Guidelines of Acceptable Comparable Sales:

- Comparable sales must be for a closed purchase. Current listings or contingent sales cannot be considered.
- The closed date of the comparable sale must be no more than 12 months prior to the effective date on your appraisal and cannot be after the effective date on your appraisal.
- The comparable sale should be proximate to your home. While proximity may vary based on the rural or urban location of your home, keep in mind that the closer (and more similar in characteristics) the comparable, the more likely it will be considered appropriate and acceptable. If you live in a subdivision, condominium project, or PUD, recent sales in your development of similar homes are the most persuasive.
- Comparable sales should have similar characteristics including the style of the home, size of the lot, gross living area, room/bedroom/bathroom count, age, condition, and quality of construction but they need not be identical.
